The Bundesverband Schmuck und Uhren (BVSU) was founded in Pforzheim in 1947. As a lobby group for over 200 predominantly medium-sized member companies from the areas of jewellery, watches and clocks, silverware and related industries, it represents the interests of its members at a national, European and international level. It is responsible for coordinating the federal associations of the German jewellery and silverware industry. In this capacity it is also integrated in international lobbying efforts of the World Jewellery Confederation, CIBJO (Confédération internationale de la Bijouterie, Joaillerie, Orfèvrerie, des Diamants, Perles et Pierres). The BVSU also represents the interests of the German watch and clock industry at a European level as a member of the European watchmaking association, the Comité Permanent de l'Horlogerie Européenne (CPHE).
