The German Association of Jewellery, Watches, Clocks & Supplying Industries (BVSU) was founded in Pforzheim in 1947. As a lobby group for over 170 predominantly medium-sized member companies, BVSU represents the interests of its members at a national, European and international level. BVSU is a member of the Federation of German Industries (BDI). It is responsible for coordinating the federal associations of the German jewellery and silverware industry. In this capacity it is also integrated in global efforts of the World Jewellery Confederation, CIBJO. BVSU represents the interests of the German watch and clock industry as a member of the European watchmaking associations EUROTempus and CPHE. BVSU is a member of the Responsible Jewellery Council (RJC) and the Watch & Jewellery Initiative 2030.
